Perimore Derit is a troubled teenager, without any friends, who deals with problems at home. When he decides to end his own life his plans for death dont quite pan out, and he is soon sent to a rehabilitation facility. But being institutionalized isnt anything like Perimore expected. He discovers the crazy, but lovable, patients arent so different from him. On his journey to recovery, he finds friends, an adventurous red head, and a mystery only he can solve. Perimore learns that sometimes the best way to stay sane is to be a little crazy.
