

Reunited

1 concert. 2,000 miles. 3 ex-best friends. Can a road trip restore harmony? Alice, Summer, and Tiernan used to be best friends as well as the self-proclaimed biggest fans of the band Level3. But when the band broke up, so did their friendship. Now, four years later, they've just graduated from high school. When Level3 announces a one-time reunion show in Texas, Alice impulsively buys tickets and invites her two former friends along for the trip. Reluctant at first, both girls agree to go, each with her own ulterior motive. But old resentments and other roadblocks from unintended detours to lost concert tickets keep getting in the girls' way. Will their friendship get an encore, or is the show really over?
