

## Erased (Altered)

They thought they had escaped. They were wrong. After fleeing the Branch with Sam, Cas, and Nick, Anna is learning how to survive in hiding, following Sam's rules: Don't draw attention to yourself. Always carry a weapon. Know your surroundings. Watch your back. When memories from Anna's old life begin to resurface--and a figure from her childhood reappears--Anna's loyalties are tested. Is it a Branch set-up, or could it be the reunion Anna has hoped for? Ultimately, the answers hinge on one question: What was the real reason her memories were erased in the first place? Jennifer Rush delivers a thrilling sequel to *Altered* in a novel packed with mysteries, lies, and surprises that are sure to keep readers guessing until the last page is turned.
