

Terryworld Artists Edition (#1)

Who took 1970s porn esthetic and made it fashion chic? Terry Richardson. Who made the trailer park trendy and the tractor hat de rigueur? Richardson again. Whos equally at home in Vogue, Harpers Bazaar, Purple and Vice? Our boy Terry. Who uses his fashion money to fund an X-rated website? Yes, Richardson. And who cant resist getting his clothes off and jumping in front of his own lens? Well, that would be Terry Richardson as well. Porn stars, supermodels, transsexuals, hillbillies, friends, pets, and celebrities all do for his lens what theyll do for no other. And if anyone ever wonders why they did it, just blame it on Terryworld, where taboos are null and void, and fashion finds sex a perfect fit. The Artists Edition comes in a clear plastic case with 4 personally selected limited-edition Terryprints and a Terrybear (a little teddy bear with Terrys face on it).
