

## The Midnight Charter (Agora Trilogy (Hardcover (Roaring Brook Press))

In a society based on trade, where everything can be bought and sold, the future rests on the secrets of a single document-and the lives of two children whose destiny it is to discover its secrets. In this spellbinding novel, newcomer David Whitley has imagined a nation at a crossroads: misshaped by materialism and facing a choice about its future. He has brought to life two children who will test the nations values-and crafted a spellbinding adventure story that will keep readers turning the pages until the very end. For readers who love Philip Pullman, THE MIDNIGHT CHARTER combines great storytelling with a compelling vision - a many layered adventure with powerful and timely implications.
