

Santa Fe: 400 Years, 400 Questions

This question-and-answer book about Santa Fe, New Mexico contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than four hundred years ago. Not a traditional history book, this group of questions is presented in an apparently random order, and the answers occasionally meander off topic, as if part of a casual conversation. What you find here will stimulate your curiosity and invite debate about what history is. References follow each entry. Black-and-white illustrations, photographs, maps, an index, and study guides further enliven this unconventional approach. A compilation of four hundred questions cannot attempt to encompass all of Santa Fe's history, but the bibliography extends an invitation to read more and connect to different topics. Also included is a game (What Is It?) scattered throughout the text.

Elizabeth West - Santa Fe: 400 Years, 400 Questions Collected Sep 1, 2009 The roots of Santa Fe as an ethnic melting pot dig through 400 years, back to this city's establishment in 1610 as Spain's seat of government **Icarus the Santa Fe Public Library Blog: October 2012** Dec 8, 2012 Santa Fe: 400 Years, 400 Questions is a fun book to read.
