

Long Ride Home: First Time Gay Sissy Erotica

Stranded on a lonely road with a flat tire, on a stormy night, Mike Grant found himself helpless. Trevor Belleth, who happened to pass by, comes to Mikes rescue, but not to help him change the tire or to drive Mike to his home. He simply offered Mike shelter at his house from the stormy night. At first Trevor mistook Mike to be a lonely girl but later he realized that in reality Mike was a boy. Mike on the other hand was attracted by the strong character of Trevor. He accepts Trevors kind offer and moves over to Trevors house. Once they were under proper shelter they discard their damp clothing and they come to realize that they were both attracted to each other and the finally end up by making erotic love to each other while the stormy night screamed outside like a jealous lover.
