

## Girl Lovin Volume One:Ten First Lesbian Sex Erotica Stories

How do you like the sound of this tale of lesbian awakening? Cindy Took My Ass! (And I Didn't Know Girls Did That!) A First Lesbian Sex Erotica Story by Kandace Tunn When my best friend confided in me that she was swearing off men for the remainder of college because she loved lesbian sex and it didn't seem to come with the same relationship hangups, I was intrigued. Well, that's a lie. I wasn't intrigued because I was much, much, much more than that! My whole life became consumed with lesbian fantasies. When I finally confessed the situation to Cindy, she decided it was time for my first lesbian experience. Who would have thought that would include my first anal sex! That's just one of the steamy lesbian sex stories you'll find in this collection. Click now and the girl/girl fun can be on your Kindle device in seconds. Warning: This ebook contains very explicit descriptions of sexual activity and includes reluctant sex, first lesbian sex, lesbian seduction, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the first lesbian sex erotica stories in this bundle:
