

Shaxoas Gift: Book Two in the Twin Souls Saga

After losing Claire to the Twin Soul bond Uriah intends to seek out the Matwau and let the monster have exactly what he wants, Uriahs death. Only the words of the shaman who has already betrayed him more than once stops him. Her promise that there is still a chance of saving Claire from the bond and keeping her love for Uriah whole sends him on a new hunt to find the splinter group of Tewa Indians and the Shaxoa rumored to have more power and knowledge than anyone has seen in centuries. No matter the price, Uriah promises to find the Shaxoa and rescue Claire from the fate she does not want, while Claire makes her own promise to hold off the cruel desires of the Twin Soul bond. Keeping their promises wont be easy. It may require more of them than they ever could have imagined. As Uriah searches for a way to break the bond and Claire becomes desperate for anything that will help her resist it, both learn truths about themselves that will change everything.
