

Lucys Chance (Red Rock Ranch, Book 1)

Sixteen year old Lucy Rose is spending her first summer away from home and she has two things on her mind: an abandoned, violent horse and a blue-eyed cowboy. Only neither is hers. Lucy has never attracted much attention from boys, but she cant seem to ignore her blue-eyed co-worker, Casey Parker. A true cowboy, Lucy becomes enthralled by his gentle way with the horses at the Red Rock Ranch. However, she is very aware that Taylor Johnson, rodeo queen extraordinaire, already has her spurs in him. And, theres no crossing Taylor. . . . Not until a mysterious horse appears on the ranch and pushes Lucy and Casey together. The two are willing to do anything to save the black gelding that doesnt want a thing to do with them . . . or the human race. But, every step forward with the broken animal makes Lucy fall harder for him and for Casey.
