

We Need To Talk: What Happens When Looking Thin Becomes an Obsession

Miri teaches in an at-risk high school for girls. She feels she has a handle on things until she confronts Risa, one of her quiet students. As Risa begins to open up to her, Miri realizes that the eating disorders she's read about and heard about from others is a far cry from the difficulties encountered by this young student. She's suffering from a teenage plague that is overwhelming high schools nationwide.

Eating Disorders - KidsHealth Those who have an unhealthy obsession with otherwise healthy eating may Self-esteem becomes wrapped up in the purity of orthorexic diet and they weight while orthorexics obsess about healthy eating (not about being thin and losing weight).
