

From Foxhole to Glory Hole (Gay Glory Hole Erotica)

I had learned how to kill a man and now, finally, I had learned how to pleasure a man. When you come home from war it can be hard to find your purpose in life. For one experienced soldier, that purpose is discovered in a seedy dance club on one side of a glory hole. In no time at all, he is transformed from a dutiful veteran into a ravenous cocksucker. With each new visitor to the glory hole, our soldier boy becomes better and better at what he does. Rigorous training is all part of being a soldier, whether you're fighting terrorists or draining the hot, wet cum from a man's throbbing cock. This story is a work of fiction and all characters are at least 18 years of age. Any similarities to real people or events are coincidental and extremely hot.
