

Steampunk Rat - (A Steampunk Story) (A Boston Metaphysical Society Story)

Nominated for a 2013 Steampunk Chronicles Readers Choice Award. All that fifteen year old Jonathan Weldsmore wanted to do was design and build steamships to sail on the high seas. Treated like a poor relation within his own wealthy family, he had little hope of obtaining the future he desperately wanted. That is until he rescued and transformed an injured rat into the mechanism of not only his salvation, but his family's as well. STEAMPUNK RAT is a YA Novella based on the steampunk webcomic BOSTON METAPHYSICAL SOCIETY. (www.bostonmetaphysicalsociety.com) The cover illustration was done by Elizabeth J. Jackson.
