

Names Will Never Hurt Me

During one day at school, the paths of four teens will cross in ways they never imagined. Theres Kurt, the freck who tries desperately to escape bullying; Tisha, who doesnt feel she fits in with anyone; Ryan, the football jock who rules the hallways while losing control of his life; and Floater, who uses his connections to gain dangerous power. On this day, teasing, racism, loneliness, and secrets bring each of them to the breaking point. Now they must help each other prevent a tragedy. The voices of these four teens weave together in prose-poetry to create a powerful read.
