

## The Problem with Forever

[Young Adult Fiction (Ages 12-17)][Read by Amy Landon]From #1New York Times bestselling author Jennifer L. Armentrout comes a riveting new story about friendship, survival, and finding your voice. For some people, silence is a weapon. For Mallory Mouse Dodge, its a shield. Growing up, she learned that the best way to survive was to say nothing. And even though its been four years since her nightmare ended, shes beginning to worry that the fear holding her back will last a lifetime. Now, after years of homeschooling with loving adoptive parents, Mallory must face a new milestone -- spending her senior year at public high school. But of all the terrifying and exhilarating scenarios shes imagined, theres one she never dreamed of -- that shed run into Rider Stark, the friend and protector she hasnt seen since childhood, on her very first day. It doesnt take long for Mallory to realize that the connection she shared with Rider never really faded. Yet the deeper their bond grows, the more it becomes apparent that shes not the only one grappling with lingering scars from the past. And as she watches Riders life spiral out of control, Mallory must make a choice between staying silent and speaking out -- for the people she loves, the life she wants, and the truths that need to be heard.
