

Preppers Survival Handbook: The Ultimate Preppers Handbook for Long-Term Survival and Self-Sufficient Living (Practical Preppers)

Preppers Survival Handbook: The Ultimate Preppers Handbook for Long-Term Survival and Self-Sufficient Living Would you be able to survive for any length of time without modern amenities? If so, how would you do it? What tools and skills are required and how do you put it all together into a working survival plan? From Hollywood dramatizations to real-life catastrophes that seem to occur on a daily basis, there is no shortage of potential emergencies that could leave society in shambles. Maybe its a blizzard that shuts down roads, supply routes and electricity for a week. Or maybe zombies really do take over the world leaving a select few humans to rebuild society without modern amenities (just kidding well, then again...). Whether or not you believe that World War Z could happen isnt the point of this book. Rather, I want to make sure you are prepared for any potential threat should it occur. Terrorist attacks, Ebola outbreaks and economic collapse are also possibilities. Or what about nuclear war, epidemic disease, flooding, earthquakes, wild fires, etc? Are you scared yet? You should be. I want you to realize that there is a seemingly endless list of potential catastrophes and any one of them could leave you without the essential supplies and knowledge required to survive. Well...that was until you picked up this book. Im going to teach you everything you need to know from selecting appropriate survival gear to must-have survival skills applicable in a variety of situations. Survival isnt about taking shelter for a few days and hoping for the best its about creating sustainable solutions that allow you to thrive in any situation. Also, youll discover.. The best ways to store food for long periods of time The ultimate bug-out bag checklist 12 item worth more than gold in a survival situation And much more! Table of Contents Dehydration is the Enemy

Nobody Wants to Go Hungry Keeping It
Fresh Bugging Out or Staying Home
