

Tables You Can Make: From Classic to Contemporary (The Best of The Woodworkers Journal)

Selected from the pages of Woodworkers Journal, these classic table projects will deliver both form and function to your home. Appropriate for beginner to intermediate woodworkers, the attractive designs include a Shaker sewing stand, a butcher block kitchen island, a graceful cherry tea table, and so much much more. All the projects have been test built by experts and are presented with detailed instructions and color photos, exploded drawings, lists of required materials, and complete finishing options. Helpful sidebars offer tips for selecting the right wood, avoiding costly mistakes, and for saving your most valuable resource, time.
