

## Diving In Deep

How thin is thin enough? Just as her family's troubles start to mount in their new home town, Kelly Eberly dives head first into a strict diet and rigorous swimming routine. Nearly drowning in an ocean of doubts and insecurities, and feeling lost and alone in a new place, Kelly wants nothing more than the nice normal family her mother talks about. Before long, even within the chaos that is the Eberly family, everyone is noticing her dramatic weight loss. Her aunt is praying. Her brother is lecturing. Even her new friends are studying her under a microscope. How thin is thin enough? If she gets too thin, will she be able to stop; or is she in too deep? With so much going on in her family, will anyone be able to help her resurface? Follow Kelly's story as she tries to figure out her not-so-normal family, realizes the power of prayer, and learns to trust that God knows what He's doing.
