

Tarot of the Lotus Circle

Are you ... Looking for love and finding only heartbreak? Seeking information about business or finances? Living from one crisis to another? Even if you have never seen a deck of Tarot cards before, TAROT OF THE LOTUS CIRCLE is so easy to learn, you'll be receiving answers to your questions and making predictions in no time at all. The Lotus Circle deck, layouts and interpretations are the result of a decade of messages and visions channeled by renowned medium, Marilyn Campbell. Her Spirit Guides directed her to share her knowledge of Tarot, insisting the material be simple enough for novices to get answers to their most perplexing questions. Under Their guidance, Marilyn modernized the images and interpretations, while maintaining respect for the basic meanings and symbolism of the individual cards. TAROT OF THE LOTUS CIRCLE walks you through the process of meeting your own Spirit Guides, enhancing your intuition and reading the cards to solve problems and see into the future.
