

Typhon (The Aurelian Archives Book 3)

The war begins. The Archives end. Six months after the fact, Reece is standing trial for the murder of Headmaster Charles Eldritch. Aurelia has been confiscated, and as for his friendstheyve been in better shape. Then theres the small matter of The Herons new Aureliod Fleet, which is leading a preemptive strike against The Kreft and the unsuspecting humans under their control. In a war that doesnt seem to have a place for the crew of The Aurelia, Reece and his friends are faced with a choice: stay together, or divide and hunt the mythical weapon that might be the key to destroying the Kreft for good.
