

The Awakening

He calls himself Paul Woodcock, but that's not his real name. His friends don't know who he is. Even he doesn't know who he is. He has lost his memory, and with it his identity. This man's search for identity is the theme of this unusual novel. The quest takes him across the United States and to Europe and the Caribbean. The searcher learns that there are deeper identities to be uncovered than just his name, and his quest expands and deepens as these possibilities emerge. Filled with intrigue, suspense and thought-provoking questions, *The Awakening* is a first-class story.
