

The Big Book of Beastly Mispronunciations: The Complete Opinionated Guide for the Careful Speaker

The definitive pronouncement on more than 1,500 of our most commonly mispronounced words. From the language maven Charles Harrington Elster comes an authoritative and unapologetically opinionated look at American speech. As Elster points out, there is no sewer in connoisseur, no dip in diphthong, and no pronoun in pronunciation. The culmination of twenty years of observation and study, *The Big Book of Beastly Mispronunciations* is more than just a pronunciation guide. Elster discusses past and present usage, alternatives, analogies, and tendencies and offers plenty of advice, none of it objective. Whether you are adamant or ambivalent about the spoken word, Elster arms you with the information you need to decide what is acceptable for you. *The Big Book of Beastly Mispronunciations* has now been expanded and revised and features nearly 200 new words, including: al-Qaeda bruschetta commensurate coup de grace curriculum vita exacerbate gigabyte hara-kiri machismo Muslim Niger Pinochet Pulitzer sorbet tinnitus w (as in www-dot) and many, many more. Charles Harrington Elster is the pronunciation editor of *Blacks Law Dictionary* and the author of various books about language, including *Verbal Advantage*, *There's a Word for It*, and *What in the Word?* He has been a guest columnist on language for the *Boston Globe* and the *New York Times Magazine* and a commentator on NPR and hundreds of radio shows around the country.
