

# The BIG BOOK of Octave Mandolin Chords: An In-Depth Exploration of G-D-A-E Tuning

The Most Detailed & complete Octave Mandolin & Irish Bouzouki Chord Book... This chord book carefully maps out the musical landscape of the G-D-A-E fingerboard, with all the harmonic possibilities. Packed with valuable information, it is a vital resource for any type of mandolin or octave mandolin player. The whole fingerboard is shown for every chord, to help you see and understand the geometry. The note names and scale degrees are shown for all chords, detailing the precise musical structure. All the playable voicings are included for every chord. Open and closed-position chord types are included. All chords also work on mandolin. Partial capo configurations are mapped out for the first time, with a wealth of exciting new ideas.
