

The Blue Woods (Twin Willows Trilogy)

The exhilarating conclusion to the Twin Willows Trilogy. Sixteen-year-old Alessia Jacobs wants to go to college someday like her friends. She wishes for a chance at a normal relationship with Jonah. But normal is never an option for a Benandante like Alessia, who has sworn to protect the magic in the world from the Malandanti...especially when Jonah is on the opposite side of the deadly struggle. When the war comes to a head, lives will be lost, love will be gained, and Alessia will risk everything to save the people she loves and destroy the Malandanti once and for all.
