

The Shadow Warriors (The Possessor Wars, Book 3): The Possessor Wars: Book 3

What would you do if the girl of your dreams was an android? Do you love science fiction? Do you enjoy action and adventure? Get set for a journey across space, time, and even other universes. The Shadow Warriors For two years after his friend Jeff Bowman was lost in space, Akio Miyamoto has done his best to move on. He enjoys his new life on the planet Yokohama in the New Tokyo star system. His family has moved up in the world and can afford a nice home in a massive city that floats in a tropical sea. They even have some luxuries like artificial reality games and a personal A.I. Akio and his younger brother, Akifumi, both go to good schools that open bright futures to them. But it all comes to a terrifying end when war breaks out. Before he knows it, Akio, his brother, and several of their friends are on a frantic race for survival across the stars. Living the life of a refugee, Akio must find a way to stand up against his relentless enemies and uncover the truth behind this senseless war.

Searching for clues anywhere he can, Akio discovers that he and his friends have been given powers far beyond those of normal humans. Together, they must confront the terrifying forces that were set in motion by an ancient enemy from another universe. As he battles his way through the horrors around him, Akio must find a way to keep the hope for peace alive.

The Possessor Wars Series The Possessor Wars is a compelling six-book series documenting humanity's First Contact with energy beings from another universe who seek the one thing that we have that they don't-physical bodies. Wanting the fuller existence granted by human form, these formidable aliens will do anything to subject the human race to their wills. Set in the 28th Century, the Possessor Wars spans time, space, and even multiple universes as Jeff Bowman and his friends make humanity's final stand against conquering aliens who want to take their

bodies, their life energy, their memories, and their very souls. If you loved Harry Potter, Divergent, and Hunger Games, you should not pass up The Possessor Wars. Books in this Series The Boy Who Fell into the Sky The Outcasts The Shadow Warriors More to Come... Publishers Notes: This coming of age series deals with first contact with multiple alien species and the moral dilemmas of teens at the nexus of an impending alien invasion and species war. It is also interspersed with a humorous look at slices of life in the 28th Century as mankind moves outward to explore and colonize space.
