

The Cambridge History of Western Music Theory (The Cambridge History of Music)

The Cambridge History of Western Music Theory is the first comprehensive history of Western music theory to be published in the English language. A collaborative project by leading music theorists and historians, the volume traces the rich panorama of music-theoretical thought from the Ancient Greeks to the present day. Richly enhanced with illustrations, graphics, examples and cross-citations, as well as being thoroughly indexed and supplemented by comprehensive bibliographies, this book will be an invaluable resource for students and scholars alike.
