

The Cats Pyjamas: The Penguin Book of Cliches

A fascinating, thematic exploration of cliches from as the actress said to the bishop to zero hour, explaining what they are and where theyve come from. Julia Cresswell has taken her best-selling dictionary of cliches (Sumptuous A mine of information. Guardian) back to the drawing board and has created a book, packed with famous (and infamous) quotations and memorable information, that will change the way you see English.
