What an evil and original story. You cant stop reading Kaitlyns diary. But is she real? Its a mystery inside a mystery--and the shocks keep coming. Scary stuff! --R.L. Stine, author of the Goosebumps and Fear Street series>Welcome to the Dead House.Three students: dead.Carly Johnson: vanished without a trace.Two decades have passed since an inferno swept through Elmbridge High, claiming the lives of three teenagers and causing one student, Carly Johnson, to disappear. The main suspect: Kaitlyn, the girl of nowhere.Kaitlyns diary, discovered in the ruins of Elmbridge High, reveals the thoughts of a disturbed mind. Its charred pages tell a sinister version of events that took place that tragic night, and the girl of nowhere is caught in the center of it all. But many claim Kaitlyn doesnt exist, and in a way, she doesnt - because she is the alter ego of Carly Johnson.Carly gets the day. Kaitlyn has the night. Its during the night that a mystery surrounding the Dead House unravels and a dark, twisted magic ruins the lives of each student that dares touch it.Debut author Dawn Kurtagich masterfully weaves together a thrilling and terrifying story using psychiatric reports, witness testimonials, video footage, and the discovered diary - and as the mystery grows, the horrifying truth about what happened that night unfolds.
