

## The Death of Jayson Porter

Sixteen-year-old Jayson Porter wants to believe things will get better. But the harsh realities of his life never seem to change. Living in the inland-Florida projects with his abusive mother, he tries unsuccessfully to fit in at his predominately white school, while struggling to maintain even a thread of a relationship with his drug-addicted father. As the pressure mounts, there's only one thing Jayson feels he has control over: the choice of whether to live or die. In this powerful, gripping novel, Coretta Scott King Award-winning author Jaime Adoff explores the harsh reality of a teenager's life, giving hope even in the bleakest of hours.
