

The Deepak Chopra Introductory Wellness Collection: Everyday Immortality, Ageless Body, Timeless Mind, Journey Into Healing

Three of Deepak Chopras bestselling titles available together in one collection for the first time! Everyday Immortality contains a series of insights, known in Eastern wisdom traditions as sutras, or koans. Like a string of pearls, each insight follows the next. As a result of the process, your awareness and your experience of yourself and of the world will begin to change, and you will begin to slowly experience a state of joyful carefreeness and love that will stay with you more and more. Ageless Body, Timeless Mind goes beyond current anti-aging research and ancient mind/body wisdom to dramatically demonstrate that we do not have to grow old! In a unique program that includes stress reduction, dietary changes, and exercise, Dr. Chopra offers a step-by-step, individually tailored regimen for maximum living in exceptionally good health. Journey into Healing arranges essential ideas from the work of Deepak Chopra, M.D. to create a transcendent experience for the listener, a journey into healing. We learn to go beyond self-imposed limitations, and to seek that place inside ourselves that is at one with the infinite intelligence of the universe. Also includes techniques for Mindfulness Meditation.
