

## The English Language: A Users Guide

Updated and expanded from one of the most popular grammar sites on the web, this book provides a modern guide to English usage for the 21st century. With topics arranged alphabetically and written in an enjoyable and readable tone, The English Language: A Users Guide will help students and writers understand the nature of the language, explaining the why of the rules as well as what constitutes good grammar and style. Going beyond the prescriptive wrong /right examples, Jack Lynch includes examples of weak/strong, good/better, disputed/preferred, and informal/formal usage.
