

The Facts on File Guide to Style (Facts on File Library of Language and Literature)

From school papers and e-mails to business reports and legal briefs, people write for personal and professional reasons on a daily basis. Finding a style and voice early on helps people become clear and concise writers, simplifying tasks of all kinds. The perfect companion to *The Facts On File Guide to Good Writing* (see page 8), this book helps readers refine and improve their writing style. The coverage includes: What Is Style? - understanding what constitutes clarity, elegance, and vigor in writing; Writing with Style - choosing words, constructing sentences, and finding the appropriate tone; Choosing a Style - adapting writing to suit circumstance, audience, and purpose; and Style in Practice - choosing the appropriate style for letters, e-mails, business reports, promotional writing, and other specific requirements. *The Facts On File Guide to Style* is a valuable resource for readers and writers of all ages.
