

The Fixes: A Novel

5 . . . 4 . . . 3 . . . 2 . . . Eric Connelly is crumbling under the weight of his dad's expectations. He can't seem to live up to the Connelly Man standards but when he meets the mysterious, free-spirited Jordan Grant, his dad's rules seem so much less important than they used to. Jordan and Eric now Ejoin up with two of the most popular girls in school to combat their rich-kid boredom. But as Jordan seduces E further, the group starts to kill time in more nefarious ways. It's Jordan who escalates the packs dares from mostly harmless jaunts like joyrides in boosted cars and Bling Ringstyle luxury shoplifting sprees into more violent activities. Eric is intoxicated . . . swept up in the packs activities, even as Paige and Haley start to have reservations about what they've been doing. When Jordan starts talking bigger what's a little bomb building between friends? E must decide if he's just too far down the rabbit hole to back out. From the author of How to Win at High School comes a wicked, irreverent story of rich kids gone amok that will leave readers at the edge of their seats.
