

The Haven, Palm Springs Diaries Book 2

Elias and his lover, Josh, are celebrating a year of togetherness. Josh urges Elias to organize a romantic vacation in the place where they fell in love - Palm Springs. Given carte blanche to run amok with Josh's credit card, Elias cruises the Internet and finds a home, a whole home, as the strange ad says, by the lake and mountains. Elias has never seen anything so gorgeous. He hastily books a long weekend vacation, notifying gay porn star Samuel Colt. They owe him a sexual rematch as promised when the three met at the Oasis. And then total disaster. It isn't a whole house that awaits them. The lake and mountains are there, as beautiful and crisp as the photos indicated. But somehow, Elias missed that the home is a clapped-out, wreck of a trailer. On a holiday weekend with every hotel in town booked solid, how can the couple celebrate? And, uh-oh -- how can they hope to impress Mr. Colt with it? Previously published by Silver Publishing.
