

The Heavenly Life

In his ongoing quest to show the path to inner peace amid a noisy and cluttered world, the author of *As a Man Thinketh*—one of the most popular writers in the fields of inspiration at the turn of the 20th century—writes simply but eloquently on such topics as *The Divine Center*, *The Unfailing Wisdom*, *Perfect Freedom*, and *The Might of Meekness*. As always, his advice is both spiritual and practical: be in the moment, seek simplicity, push past the clutter to find your inner goodness. His words are as valuable today as when they were first written, and provide a welcome balm to uneasy souls in an uncertain world.

British author and pop philosopher JAMES ALLEN (1864-1912) retired from the business world to pursue a life of writing and contemplation. He authored many books about the power of thought including *The Way of Peace*, *The Mastery of Destiny*, and *Entering the Kingdom*.
