

The Homo Spiritus Sessions: Vol. 6

PLEASE NOTE: This book is also available as part of The Homo Spiritus Sessions, Collection one. Collection one includes volumes 1-8 of the Homo Spiritus series. Be vulnerable. Tell the truth. Be honest about your feelings. Be willing to admit when you want to learn something. Open to the fact that you don't know everything. Allow yourself to be in the presence and the moment of the situation at hand. The deep knowing of you is facilitated by the clarity you have regarding the difference between the experience of emotion and the experience of feeling. Discern the difference between the two and stand in feeling. Allow yourself to be infused in the now with the feelings you're experiencing. The nuances and the aspects that you find yourself experiencing when you experience feelings are going to be far more varied than what you've allowed yourself to experience when you experienced emotions. The emotional state is low-vibrational, and low-vibrational is very limiting. Whereas the feeling state is high-vibrational, and high-vibrational is very expansive. Volume six of the Homo Spiritus Sessions includes the transcript of the August 11, 2010 channeling session and includes the following tools: Big toe; left elbow; Color with all the crayons; Feelings are not emotions; Money mantra; Neutral observation; Point fingers; Preferences/Judgments; Short, factual statements; Vulnerability vs. weakness; What is true now?; Who answers the door?; You to you (compare). Volume six also includes 123 definitions of terms and concepts including the following new terms: Going to see the king; Layers of the onion; Marble sculpture. The Homo Spiritus Sessions series offers channeled messages from Eloheim and The Council. The Council is comprised of seven different groups: The Guardians, The Girls, The Visionaries, The Matriarch, The Eloheim, The Warrior, and Fred. During a

channeling session, each of The Council members take turns sharing their teachings. Each Council member has a distinct personality, style of delivery, and focus. The Council is best known for their multitude of practical tools, which support our journey out of the fear-based operating system into the consciousness-based operating system. These tools are developed during private sessions and public gatherings. Each book in the Homo Spiritus Sessions series consists of the transcript of one of our public sessions, enriched with supporting material. The supporting material includes information about Eloheim and The Council, descriptions of tools referenced in the session, and over 100 definitions of terms and concepts. Each of the Homo Spiritus Sessions books can stand alone, but taken together will allow the reader to follow along with the progression of the teachings including the introduction, in-depth explanation, and evolution of The Councils tools.
