

The Ride - Touchdown Edition (Dream Series) (Dream: Touchdown Edition)

Cece Morgan is one of the best young snowboarders in the state of Wyoming. When she's not hanging out with her friend Sally, she is almost always flying through the fresh powder on Rockville Mountain. Life is great, until her father lands his dream job in Los Angeles. One week later, Cece is saying goodbye to her life in Rockville, as she begrudgingly packs up her stuff for Hollywood! The Ride is about a young girl's transition to a new school and a new life. We follow Cece as she tries to cope with her parents' separation, learn how to surf, and avoid Portia, the school bully who has vied to make her life miserable. After a month of living in Los Angeles, will she totally bomb at the Super Wave Championships?
