What readers are saying about The Kiss Off series: Ha! I laughed my head off for the entire first half of this book. I could not wipe the smile off my face. - Misty, Goodreads Reviewer I loved this book. Seriously loved it. Like-read in one day-love. - Kayleigh, Goodreads Reviewer The Kiss Off is a DEFINITE MUST READ !! - Akansha, Amazon Reviewer THE KISS OFF When sixteen year old Poppy Douglas writes a song about her ex-boyfriend Cam and ex-friend Nikki, she has no idea that her heartbreak is about to go global. A local band picks up her song from Youtube and soon she's along for the ride with her own fanbase as they blow up on the local club scene and hit the international charts. Though it turns out leaving Cam behind isn't as easy as she had hoped. Tangled in a web of unfinished homework, ill-considered sexting and a new lead-singer boyfriend, Poppy has a choice to make between the ex that inspired it all and the rock God whose poster lines the inside of half the lockers at school. But as she struggles to keep her emotional dirty laundry private, she learns that the truth can be hard to find when your life is in the headlines. OVER IT Poppy Douglass lead singer boyfriend Tys been criss-crossing the country and living it up on tour for months while Poppy has been stuck in the boring suburbs, finishing out the school year. But it's summer now, and the best thing just happened: Poppy's royalties for writing the hit song The Kiss Off just came in. She's minted, and she knows just what she's going to blow it on. Tys band Academy of Lies are headlining a summer music festival, and Poppy is taking her girlfriends along for the best weekend of their lives. It's all organized: the weekend is going to be full of camping under the stars, backstage passes, VIP rooms and partying like rock

stars, not to mention some long awaited one-on-one time with Americas favorite front man. Except, when someone drops out of the trip and Poppy takes the opportunity to mend a broken friendship, it doesnt quite go according to plan. And when she meets her boyfriends BFF from another band, the paparazzi form their own totally wrong conclusions. Theres also the matter of Tys super fan stalker, but the less said about her the better. The biggest test of all comes in the form of an opportunity too good to pass up. But will insecurities and jealousy stand in Poppys way? Can Poppy and Tys relationship even survive it? Life is about to get much more complicated for Poppy Douglas, but what can you expect when your boyfriend is a rock star?
