

## The Lit Report

Julia and Ruth have been unlikely best friends since they first met in Sunday school. Ruth was standing on the Bible-crafts table belting out Jesus Loves Me. Now that they're a year away from graduation, they're putting the finishing touches on their getaway plans. But their dream of a funky big-city loft and rich, interesting older men is threatened when preacher's daughter Ruth goes to a wild party without studious Julia, and all hell breaks loose. Ruth gets pregnant; Julia gets creative. Determined to support her friend and stay on track for life after high school, Julia comes up with a plan that will require all her intelligence, compassion, ingenuity and patience. Drawing on some great (and some not-so-great) works of literature, Julia proves that you can learn a lot just by opening up a book.
