

Tori and the New Girl

The weekend is off to a wonderful start for fifth-grader Tori Salinas! She and her cousin Gina have been invited to spend the night with their Peruvian-American grandparents, and on Monday, a new girl will be joining their class! Tori and Gina cant wait. But when Monday arrives, theyre in for a big surprise. Anastasia Adams is nothing like anyone had expected. Shes rich, beautiful, dresses like a princess and treats Tori and Gina like garbage. Tori cant figure out why Anastasia is friendly to all the girls except for them. It takes a shocking conversation with a newfound friend to make Tori realize that Anastasia is racist! Hurt and horrified, Tori discovers for herself the ugliness of racism. But, with the help of her family and friends, she soon learns to handle her problems with strength and becomes prouder than ever of her Latin-American heritage. Tori and the New Girl is part of a three book series. The other two books in the series are Just Tori and Toris Wish.
