

The No Nonsense Offline Roulette System

A humorous little book that offers an amazingly simple and effective offline roulette system to players at all experience levels. The No Nonsense Offline Roulette System explains a simple roulette system in a simple and straightforward style using humour, diagrams, and straight talk. The No Nonsense Offline Roulette System cuts through the jargon and gets to the crux of the topic, offering practical ideas in an easily digestible and highly effective writing style. After reading this book you too will be able to walk into any casino armed with a system that will help you increase your winnings and minimise your losses. The loss minimisation advice in this book covers not only gambling technique but also psychological habitual hurdles. This book gets straight to the point and delivers what its title promises.
