

Herb Gardens: Recipes and Herbal Folklore 2011 Wall Calendar

Cooks, gardeners and anyone who cherishes the magic of herbs will enjoy entering this world of flavor, fragrance and color. Herbs have been used for centuries on every continent in cooking, medicines, perfumes and crafts. More than just a calendar, this is a resource to be kept. Herbs can be used in foods from appetizers to desserts, as shown in the easy but sumptuous recipes from author Maggie Oster. The Herb Gardens 2011 Wall Calendar also includes a wealth of herbal folklore; remedies and growing tips are offered every other day. Maggie Oster has written and taken pictures for numerous books on gardening and cooking. She has also served as regional editor for the National Gardening Associations website. The interior pages of this calendar are printed on 100% recycled, 50% post-consumer paper, processed chlorine free and printed with soy based inks.
