

# The Practice Process: Revolutionize Practice to Maximize Enjoyment, Motivation and Progress (Faber Edition: Improve Your Teaching!)

The Practice Process is an inspiring and empowering look at the crucial topic of practice. Paul Harris explores the key role the teacher plays in developing a psychological and holistic approach for pupils. Packed with clear advice, innovative ideas, and principles such as the Integration-Representation-Connection cycle and the Simultaneous Practice Map, this book is firmly rooted in Paul Harris's highly successful Simultaneous Learning approach.
