

## The Death Chronicles Trilogy

THE DEATH CHRONICLES TRILOGY  
DONT FEAR THE REAPER (Book 1):  
The day Nick Ramsays eighth-grade teacher drops dead in his classroom, Nick sees his first reaper. When another cloaked figure appears at his grandmothers bedside, Nick issues an order for the vile creature to leave her alone. This simple act of defiance creates a domino effect that brings Fate and Death to Nicks door and reveals his true lineage, throwing his world into chaos. To make matters worse, a group of rogue reapers declares war on humanity and Nick is the only one who can stop them. HIGHWAY TO HELL (Book 2)  
Nick Ramsay thinks theres nothing worse than starting high school in a new town, especially in the sweltering Florida heat. But being cast as an outsider is a far cry from the danger of his pending rescue mission to Purgatory to save his father from the grip of Leviathan. KNOCKING ON HEAVENS DOOR (Book 3) As a senior in high school, Nick Ramsay should be focusing on his college choices, but instead, hes dealing with a tear between his world and Purgatory. Leviathan and a dozen demons are running amok in central Florida and Nick must herd them back into the underworld before Heaven opens its gates and sends down a pack of angry angels to clean up the mess.
