

The Road to Her

Sparks fly when twenty-year-old Holly Croft, star of the UK soap *Portobello Road*, meets Elise Manford, the actress who's going to play her on-screen love interest in the soaps' first ever lesbian storyline. Enigmatic Elise's super-confident attitude and unwelcome advice drives Holly to distraction at first, but as fans go wild over the storyline, and the pair start to spend more and more time together, Holly begins to see another side to her costar. Liking what she sees, Holly slowly finds herself falling in love, but can she ignore her growing attraction to Elise when the lines between fact and fiction begin to blur?
