Mitch has been playing winning craps for more than thirty years. He has seen a lot of players lose a lot of money over the years and only a few win. The fact is, well over 99 percent of people who play craps are losing players. They lose for a number of reasons,

but most lose because they are not serious about the game and even though they may feel they know what to do, they dont know how to do it correctly, consistently and with self-discipline. The casino has an edge. We know this. However, the casino does not have an edge when you exploit flaws from other players, thus giving you a noted advantage that can make you a consistent winner. The 3 irrefutable bets presented in this book are solid, tested, and irrefutable. They have worked for decades, perhaps even as far back as one hundred years ago when modern day craps evolved into the game it is today. The 3 irrefutable bets are the best bets you will ever get from any casino.
