

## The Gatherer: A Brilliant Darkness Story

Alev is proud to be a Fire Sister, one of a fierce group of women who live in a flaming mountain compound called the Cloister. The Sisters live without men, so Alev Gathers young girls to replenish their numbers. After she plucks young Kaiya from the remote village of Koolkuna, the girls father follows them into the wilderness. Alev keeps him at bay, but over time she suspects that this man, at least, isnt the monster she was taught all men are. When Kaiyas father manages to reach the Cloister, the Sisters want to put him to death. Alev can look the other way, or she can heed the growing whispers of her heart to help the girl and her father escape. But to defy the Fire Sisters is to revoke the only life and family Alev has ever known--and to face certain death herself. THE GATHERER is an exciting prequel novella in the Brilliant Darkness series. The first novel, THE SCOURGE, was a finalist for the 2013 Next Generation Indie Book Award. Three novels and two short stories complete the series.
