

The Scum of All Fears (Squeaky Clean Mysteries)

Ill get out, and Ill get even. Gabby St. Claire is back to crime-scene cleaning, at least temporarily. With her business partner on his honeymoon, she needs help after a weekend killing spree fills up her work docket. She quickly realizes she has bigger problems than finding temporary help. A serial killer her fiance, a former prosecutor, put behind bars has escaped. His last words to Riley were: Ill get out, and Ill get even. Pictures of Gabby are found in the mans prison cell, and Riley fears the sadistic madman has Gabby in his sights. Gabby tells herself theres no way the Scum River Killer will make it across the country from California to Virginia without being caught. But then messages are left for Gabby at crime scenes, and someone keeps slipping in and out of her apartment. When Gabbys temporary assistant disappears, Gabby must figure out whos behind these crimes. The search for answers becomes darker when Gabby realizes shes dealing with a criminal whos more than evil. Hes truly the scum of the earth, and hell do anything to make Gabby and Rileys lives a living nightmare.
