

The Silence Beyond (Large Print 16pt)

The late Michael King was one of New Zealand's most respected and popular historians. The author of the bestselling *The Penguin History of New Zealand* and many other significant works, he was a writer of remarkable skill, sensitivity and importance. *The Silence Beyond* is a wide-ranging and often personal collection of King's writings – many in print for the first time or no longer available – including essays, talks and eulogies for friends. Introduced by his daughter, Rachael King, *The Silence Beyond* is a timely and fitting tribute to one of New Zealand's greatest modern thinkers.
