

Gay Inner Circle Initiation (gay gangbang erotica, MMMM/f) (Frats Gay Sex Toy Book 3)

Part 3 of Frats Gay Sex Toy. Please read Frats Gay Oral Initiation and Frats Gay Anal Initiation first! A week later, Pete is getting ready to leave school for the summer, while figuring out the new and exciting turn his life has taken. When Brother Mark, who recently took his anal virginity, comes over to take him out to celebrate the end of the year, Pete has no idea he's actually being taken to the secret initiation of the fraternity's inner circle. When they arrive, Pete finds out what that means: for the whole night, every other inner circle member can use his body anyway they like! EXCERPT: Hey guys! We are here, and here is the new meat! Mark said as he put his hand on Pete's shoulder and the rest of the men in the house let out a cheer of welcome to Pete. Pete was slightly embarrassed but also proud of the welcome. Come on, dude, let me show you around, Mark said as he handed Pete a beer and started to lead him through the house. The whole place was set up as a playhouse for the sex acts that took place there among the men of the Sigma-Phi inner circle. The living room and dining room were set up as lounges, while the two bedrooms were set up as fuck chambers. The basement was a fully equipped play dungeon. There was a hot tub and a small aboveground pool out back. As they walked through the house, there were several men that Pete was surprised to see in the house. After he had been given the grand tour, the leader of the group called out from the dining room. Men of the Inner Circle, I am glad to welcome you to the last meeting that we are going to have this semester. This is also a great chance to welcome to our ranks the newest member of the circle, Pete Green. He is, as you all know one of our new pledges and during the course of his induction into our frat, it was discovered that he shares common interests with the rest of the men that are in this house at the moment. I have

also been told that he has had his first honest experience with a man at the hands of Brother Mark last week, and that he is a very highly enthusiastic bottom. Tonight we will put that enthusiasm to the test, as he officially becomes part of this inner circle and one of our most closely regarded brothers. Tonight as we enjoy each others company, he will have the opportunity to get to know each of you very closely. Now, I suggest that we get to doing what we do best around here and get naked and get nasty. My brothers enjoy yourself and each other! Brother Fred said as he raised his beer to the other men. They let out a group cheer and started to pair of with each other, grouping, kissing and rubbing each others young, muscular bodies with their hands. They embraced, and enjoyed the feeling of each others young virile bodies in each others arms. All around the group, men were removing shirts, kicking off shoes, and unfastening belts and zippers on pants. **WARNING:** This 4000+ word erotic short story is pretty much bursting with nonstop gay oral and anal sex between more than ten college studs.
